

LIMITED WARRANTY

Subject to the terms and conditions set forth below, Panelfold, Inc. warrants each new Panelfold folding door, folding partition, operable wall, relocatable wall and accessory to be free from defects in material and workmanship under normal use and service. Panelfold assumes no obligation to correct defects caused by improper installation or unreasonable use (including without limitation, physical abuse or failure to provide reasonable and necessary maintenance).

Panelfold's obligations under this warranty are limited to the repair, free of charge, of any defective part which shall, within one (1) year from the date of shipment from Panelfold, be returned to the factory at the address set forth below, correctly packaged for safe shipment, with transportation charges prepaid by the person returning the product.

No product covered by this warranty may be returned to the factory without prior written authorization from the factory. Panelfold accepts no responsibility or liability for products returned without such authorization.

Requests for such authorization and authorized return shipments should be addressed to: Panelfold, Inc., 10700 Northwest 36th Avenue, Miami, Florida 33167, and must include a statement as to the nature of the asserted defect and the name and address of the person to whom the repaired part is to be returned. PANELFOLD MAKES NO OTHER EXPRESS WARRANTY WHATSOEVER: THE DURATION OF ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS LIMITED TO THE RESPECTIVE TIME PERIODS OF THE EXPRESS WARRANTIES SET FORTH ABOVE: AND, PANELFOLD SHALL NOT BE LIABLE UNDER ANY CIRCUMSTANCES FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES WHERE THE LOSS IS OF A COMMERCIAL NATURE. Some states do not allow (i) limitations on how long an implied warranty lasts, and/or (ii) the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
