For orders that specify panel surfaces other than those shown in the chart above, such as Woventex® fabric, Tek-Wall® fabric, Ribtex® carpet, high pressure plastic laminates, unfinished veneer or custom finishes on veneer, you must specify the vinyl hinge color desired. Flame resistant and colorfast, these vinyl profiles can be easily cleaned with a damp sponge or cloth. Flex tested at Massachusetts Institute of Technology for 950,000 cycles, these hinges showed no sign of wear or deterioration.
